Thanks, Patty, for checking in about this and for sharing the meeting agenda. I think it's great that you, Matt, and Molly will be in person at the meeting in Anchorage to participate in the after lunch discussion. I'd like to call in and listen to the first 45-60 minutes after the lunch break to hear more about the Cooperating Agency plans, although I would sign off before 3pm (PST) as I have another meeting at 3. I'll block 2pm-3pm on my calendar for now, and if anything comes up, I can let you know.

Jill

Hi Jill-

As mentioned during our team meeting today, I sent invites to our entire team to participate during the morning session of the agency meeting on Jan 18. In the afternoon there will be a discussion of the cooperating agency work plan. Molly, Matt, and I will participate in that discussion. Are you interested in calling in for that part of the meeting? Attached is the agenda.

It is not clear yet whether the Corps will be bringing an attorney, which will determine whether or not we include attorneys.

Patty
